

CMOE SUMMER CAMPS

Get ready for a summer filled with creativity, curiosity, and FUN! Our experienced educators provide a blend of educational and interactive play experiences for all children. In addition to the weekly themed activities, campers have daily exploration time in our museum. All full-day camps are available to children entering Kindergarten—6th grade for the 2024-2025 school year.

	Full-Day	2nd Child (siblings only)	3rd Child (siblings only)
cMoe Members	\$160	\$145	\$130
Non-Members	\$185	\$170	\$155

Registration must be submitted one week prior to the camp you wish to attend.

Momentous Art: June 3-7

Embark on a whimsical journey through the vibrant world of children's art! In this enchanting collection, young imaginations come to life through a kaleidoscope of colors, shapes, and boundless creativity. From finger-painted masterpieces to crayon-drawn adventures, each piece tells a unique story of laughter, discovery, and the magic of childhood. Celebrate the joyous spirit of creativity with this heartwarming compilation of children's art, where every stroke is a step into a world where imagination can run free.

Under the cMoe: June 10-14

Children and the sea have a deep and often magical connection that transcends cultural and geographical boundaries. The vastness and beauty of the sea often evoke a sense of wonder in children. The beach and the sea provide a natural playground for children. Building sandcastles, playing beach games, and splashing in the waves are timeless activities that contribute to physical activity and social interaction.

Moe-ments in Space: June 17-21

Learn about space science through hands-on activities. Topics include the aurora, rockets, our Solar System, and more. Experience the wonder of outer space with us!

STEAMoe: June 24-28

Come explore the concepts of Science, Technology, Engineering, the Arts, and Math at cMoe! We will explore new technologies and create science experiments based solely on your designs. Want to expand your horizons? Want to design and build your own sky-scraper or suspension bridge? You can at STEAMoe camp!

Old Mo-Donald's Farm: July 8-12

Our farm themed camp will be a delightful and educational experience. We will have farm-themed crafts like paper plate animals, vegetable stamp art, or even simple scarecrows. Even explore plants and gardening! Children can observe plants, animals, and the natural cycles of life, fostering an appreciation for the environment.

Mo-mentous Science: July 15-19

Throughout messy science we will have hands-on, experimental, or exploratory scientific activities! Have fun in a less controlled or structured environment, allowing for a more creative and engaging experience. Messy science experiments are commonly used in educational settings, particularly with young learners, to foster curiosity and a love for science!

Millies Players: July 22-26

In this session, our campers will use their creativity and imagination to create a character out of themselves and jump into scenes from their favorite stories. In addition, they will enjoy creative movement, speech, acting, and making crafts to use while acting out parts of the stories! Campers will have a blast as they bring literature to life!

Mo-Iympics: July 29- August 2

Organizing a Children's Olympic-themed activity can be a fun and engaging way to promote teamwork, physical activity, and friendly competition among kids. Children will experience a variety of events such as: Sack Race: Participants hop to the finish line in sacks, Three-Legged Race, Obstacle Course, Balloon Pop. We will also include crafts, art, and a finale ceremony.

Camp Hours: 9 AM - 4 PM

Drop-Off: 8:45 - 9 AM

Lunch is NOT provided by cMoe. Campers must bring a packed lunch. Water and snacks will be provided.

Extended Care is offered for an additional \$50/week.

Extended Care drop-off is 7:30 AM and pick-up is 5:30 PM.
